**Exciting developments in the
School Grounds!**

Autumn Term
September 2010

Welcome Back!

It is lovely to have everyone back for the start of the Autumn term. Seventeen children have joined Mrs Arbuthnott as our Robins, and five children have joined other classes.

You have now all received your child's class curriculum information letter, and can look forward to exciting topic and homework activities!!

Message from Mrs Grindley (school caterer)

Each morning break there is a variety of healthy snacks available from our snack shop - fruit, different flavoured muffins and biscuits. Each item costs 20p. Birthday cakes can also be ordered for your child to share with their class. The cake is £4.00 and please request the cake a week in advance.

TESCO Vouchers

We have now received our goodies from our Tesco vouchers. Robins, Swifts and Blackbirds now have special cameras for pupils to use. We also have two new class cameras, a dance mat, computer microscope and various other ICT items. Many thanks for all the vouchers sent in to school.

Film Club

Our second film club event is taking place on Friday. 'Chicken Run' is the film, with FOSS serving refreshments during the event. A seat at the film is £2.50 and must be requested by Wednesday, to help the refreshment organisation.

School Grounds

Sadly, damage to the grounds and school building took place during the summer break. Areas of the roof and playground were damaged and on several occasions broken glass was cleared from the playground. It is a shame that the open play space is not appreciated and valued by all. The School Governors will continue to monitor the use of our grounds by the community and hope that there are no further incidents.

Positively, there have been improvements to the school grounds, with new fencing being placed around the perimeter and, very excitingly, the first phase of our new Trim Trail will be in place shortly. This first phase has been jointly funded by the school and FOSS and all the pupils are looking forward to using the equipment.

Please return the following information papers:

- Pupil data information, to ensure all contact details are up to date.
- End of day transport arrangements.
- Instrumental Lessons payments.

Extra-curricular clubs

The Autumn term clubs letter will be distributed to all pupils on Wednesday (8th) to be returned by Tuesday (14th). This will enable club membership administration to be completed so that clubs can commence Monday 20th September.
