**July 2010**

**Goodbye and Good Luck to all who are leaving us at the end of this term.**

To our Y6 pupils, as they leave us to start the next phase of their education.

To three children in other year groups who will be starting at a new school in September.

And, of course, to Mr Canavan. After 6 years at Spaldwick, Mr Canavan will be joining a Cambridge school in September.

### **Musical Events**

It has been a very busy half term, with our dancers, drummers, singers and musicians performing in school and further afield to a wide variety of audiences. [Village fetes, concerts, Festival judges and the residents of Letchworth!!] It is great to see our pupils perform with such confidence and enjoyment. Thank you to Mrs Hall and Miss Body for preparing them, and to family members for their support at the events.

### **School Grounds**

During the summer holiday, contractors will be working in areas of our grounds to make changes to areas of our perimeter fencing and the trim trail. The trim trail is over 20 years old and, thanks to a contribution by FOSS, we are now in a position to begin to replace and update it. Our equipment will be removed during the holiday and work will begin on the first part of a new trail in September.
