

Outcomes for Pupils

All primary schools' performance data for 2024-25 has now been published and a summary of our data is below. We are pleased with our results. They demonstrate that pupils continue to make good progress. As an inclusive school with small cohorts there will always be variances between the attainment of different year group but the overall picture for Spaldwick Primary School's pupils remains extremely positive and reflects the hard work of pupils, staff and our wider school community in supporting our children.

Year 4: Multiplication Table Check

The Multiplication Tables Check (MTC) is taken by pupils at the end of year 4. The purpose of the MTC is to make sure the times tables knowledge is at the expected level. The MTC is an online test where the pupils are asked 25 questions on times tables 2 to 12. There is no pass rate, the data is used internally by schools for assessment and intervention purposes. However, it is informally noted that 22 / 25 is considered a 'pass'.

	2022 - 2023	2023 - 2024	2024-2025
