

2022- 2023 Outcomes for Pupils

All primary schools' performance data for 2022-23 has now been published and a summary of our data is below. We are pleased with our results. They demonstrate that pupils continue to make good progress. As an inclusive school with small cohorts there will always be variances between the attainment of different year group but the overall picture for Spaldwick Primary School's pupils remains extremely positive and reflects the hard work of pupils, staff and our wider school community in supporting our children.

Key Stage 1 to Key Stage 2 Progress

Whilst attainment is a very important indicator of school performance, pupil progress between Key Stages is also a key factor.

End of KS1 to end of KS2 progress is calculated using a point system in relation to a child's 'prior attainment' group in accordance to their combined attainment in reading, writing and mathematics in Year 2.
