

What On Earth...?

Curriculum Newsletter

Living Things

Focus on the world of living things, through sorting and naming
Learn about habitats

Pretty Things

Discuss what makes something pretty and name and identify some examples.
Challenge typical stereotypes about the word

Big Things

Identify words that mean 'big'
Explore the term 'giant' and learn about giant things

Small Things

Investigate a range of small things
Categorise them e.g. small wooden things

Old Things

Identify a range of old and new things and their commonalities
Learn about re-cycling

New Things

Focus on the new things we all experience from a new toy to a new baby. Share and explore the feelings associated with these new things. Make something new to give to a friend.
