Spaldwick School where every day is a chance to LEARN and SUCCEED

#### **A message from Mrs Worrell**

Just a short newsletter to keep you posted on all the things that are happening in school. We are in the midst of an exciting term and we are beginning to see how well the children are taking on all the new strategies. Our hall is now adorned with our 'house trees' and the children are talking enthusiastically about how they can earn house points. Our achievement assemblies have started and from next term you will be invited to join us if your child is receiving an award. If children have earned a certificate at a club outside of school they can bring the certificates in to school to share in our achievement assembly.

In our library we have created an 'Extreme Reading' display. Please can you send in photos of the different places you catch your child reading, as extreme as possible. You can send the photos to [office@spaldwickschool.org.uk](mailto:office@spaldwickschool.org.uk).

#### **Spaldwick School are still Recruiting**

We are looking for enthusiastic staff that have the same high expectations as us.

We need a fabulous Site Supervisor (15 hours) and an extraordinary cleaner (12.5 hours). The hours are flexible and could be combined for the right person.

If you would like to join us for a cup of tea and a chat about the positions give us a call on 01480 890371 or see our website for more information and an application form.

Please spread the word!

#### **Governor Recruitment**

Spaldwick School has an active and supportive governing body. We currently have vacancies for two parent governors.

We have attached a letter to explain the recruitment process but if you have any questions please do not hesitate getting in touch.

The closing date for applications is:

Wednesday 17<sup>th</sup> October 2018

#### **School Grounds**

We happily welcome families and the local community to use the school grounds. However, over recent months we have had several instances of vandalism and damage which has incurred costly repairs for the school. We have also noticed an increase in the amount of dog faeces we are picking up.

Our priority is to keep our children safe and if this continues to be an issue we will consider locking the gates. Please support the school to keep the area safe.
