Spaldwick School where every day is a chance to LEARN and SUCCEED

A message from Mrs Worrell

It was great to have lots of parents joining us in school again this week. We had an excellent turn out for the Kingfisher's lunch and lots of parents in for Red Nose Day. The children loved all the dancing and between us, someone was dancing from 9:15am until 3:15pm. We will update you with the total raised as soon as possible. In other news, we are hoping work will start next week to install new lighting throughout school and solar panels on the roof of the Reception and KS1 classrooms. The lighting will be fitted overnight so shouldn't cause any disruption but the solar panels will need scaffolding to be erected in the Courtyard area, which will cause some disruption to the beginning of the day. We will keep you informed if and when we need to make any changes.

Environmental Area

The environmental area is now starting to take shape. The Lottery funded section is complete and the next step is to develop the pond and put a secure gate on the entrance.

Can you help? Could we plan a groundforce day to tackle the pond? If you are an expert or a keen novice that has an idea about how to tackle the area please email head@spaldwickschool.org.uk or speak to me on the gate. I don't know where to start!

Headteacher's Awards

A big well done to Isaac M, Catie and Albie who all received a Headteacher's Award this week for fantastic work in English.

Next Week

19th March 6:30 pm – Parent Forum (All welcome)

21st March – Kingfishers trip to Cadbury World

Attendance

Swifts

98.3%

Blackbirds
