Spaldwick School where every day is a chance to LEARN and SUCCEED

### A message from Mrs Worrell

It has been a very exciting week, watching all the work happening around school. We now have new lights throughout school and solar panels on the roof. We will soon be using the screen in Reception to track our savings, I am sure the children will really enjoy reviewing the information! The next phase is new boilers and water heaters but that won't take place until the summer holiday.

I also have staffing news to share. On Monday, Stephen Corstin started as our new site supervisor. He has already made his mark and I can't wait to see our site looking loved again. Unfortunately, it is with great sadness that I have to tell you that Sarah Banks finished her time as the school cook today. We will all miss her smiley face and want to thank her for feeding us for the last four years. If you are interested in joining Dolce and becoming a cook at our school follow the link for more details:
