Spaldwick School where every day is a chance to LEARN and SUCCEED

A message from Mrs Worrell

It is difficult to believe we are two thirds through the academic year but it seems the perfect time to stop and take stock of all the wonderful things we have achieved so far. I could not be prouder of how hard all our children work, the change in our books is outstanding. The presentation and spelling improvement in English is amazing and our children have become fantastic mathematicians who can confidently talk about their learning. We have also worked hard to make sure our children have lots of extra-curricular opportunities and this term they have represented the school in sporting events, participated in singing concerts, supported charities and have been on trips and visits. Next term, we will start the exciting journey to update our curriculum and we hope we will be able to call on your skills and knowledge to support topics in school. I would like to take this opportunity to wish you a very happy Easter, I hope you have a peaceful break and look forward to seeing you on Wednesday 24th April.
