Spaldwick School where every day is a chance to LEARN and

### A message from Mrs Worrell

It's been a super week at Spaldwick! One of my great pleasures is watching our children using our amazing school grounds and this week I have had many opportunities to do just that, the children have enjoyed lots of time on the field during breaks and outside PE lessons and they've loved it. Reception and Key Stage 1 had a fantastic trip to Paxton Pits and came back really excited about all the activities they completed; the favourite was definitely pond dipping. The Kestrels' class assembly was another highlight, I was so impressed with all the facts they remembered and their amazing art work. What superstars! I couldn't send a newsletter home without congratulating our amazing Year 6 children. They worked so hard this week, showed amazing resilience and supported each other throughout! I could not feel prouder of each and every one of them, they certainly earned their SATs party. Next week it's the Year 2s turn and I am sure they will be just as brilliant. Good luck Year 2!

### **Special plea...**

We are developing our outdoor areas to provide a variety of activities at lunch and break times.

If you have any shrubs, play bark, pebbles, logs or cars, diggers or dinosaurs we would love them.

### **Open Classroom**

Next week's open classroom will give you the opportunity to look at your children's books.

### **Library Books**

Please can everyone return school library books as they finish reading them and check book shelves at home for any stray school books. FOSS have purchased new library software and we would like to start cataloguing our books.

### **Parent Forum**

We will be discussing reports and parent events at next week's meeting, all welcome.
