Spaldwick School where every day is a chance to LEARN and SUCCEED

Message from Mrs Worrell

Welcome back to Term 4! It was great to see the playground transformed over half term and even better to see so many children engaged with the games. We are so lucky to have such an amazing outdoor space at our school and the new markings provide extra opportunities during the winter months. Mrs Belgrove also had a busy half term! I am sure you have seen the photo of our new POD on Facebook and Twitter but again what a brilliant addition to what we can offer our children. The POD has been so popular this week and is a fantastic place to reflect, relax and recharge. I hope I can have a turn soon! Finally laptops, I have really enjoyed seeing children using our new laptops and I hope you enjoy reading their reviews in the newsletter.

Budding Bakers

Love Productions have sent us some information about the 6th series of Junior Bake Off.

They are looking for young budding bakers between 9 and 15 years old. Filming would take place from July 2020, but applications close on Sunday 5th April 2020.

Interested bakers can apply online at - WWW.APPLYFORJUNIORBAKEOFF.CO.UK.

We have flyers in the school office if you are interested.

Aspirations Day

In the summer term we will hold an aspirations day for our Key Stage 2 children. The aim behind the day is to raise the aspirations of our children and for them to understand the opportunities open to them in a wide range of professions.

We would like to invite parents, family and friends to share information about their professions with the children in a café style arrangement.

The aspirations day will take place on Wednesday 17th June. If you would like to be involved, please email head@spaldwickschool.org.uk

Have you seen the wonderful playground? If not then I will tell you. There are many brilliant fabulously coloured games and activities on our playground. My personal favourites will have to be the hopscotch and bean bag toss. I like the hopscotch because it is 4-player multi-purpose activity. Also, the bean bag toss as everyone can play this fun (competitive) game.

Thank you Lucas for your review of the new playground markings.

Recently our school got some new laptops. The teachers were very excited Miss Bell made sure that the Eagles were the first to use them. There are so many cool features, you can even have your own password and you can play educational games which help you stay safe online.

So thank you to all parents who support FOSS by attending events. And here's a big thank you from all of the children.

Well done Bea and Lucy

Snacks

Please can we remind you not to bring in snacks that contain nuts. We do have children in school with nut allergies and therefore we are a nut free school. Please do not send your child into school with snacks, cereal bars or packed lunches containing nuts. This includes such products as peanut butter and Nutella spread. Thank you for your continued support with this matter.

Week Commencing	Diary Dates
