Spaldwick School where every day is a chance to LEARN and SUCCEED

Reports

Our annual reports to parents will be sent to you on Wednesday 15th July. If your child is in school, it will be given to them to bring home, if your child is at home, it will be sent by post.

As you can imagine, it has been very difficult, given the circumstances, to write an accurate report of your child's academic attainment and progress for this year and as a result they are extremely brief. We have plans in place to help children catch up when they return in September so please do not worry if they have not met their targets.

FSM Vouchers over the Summer Holiday

Last week the Government announced that they will be funding free school meals for children throughout the summer holidays.

If you have experienced financial difficulty as a result of the lockdown and you are claiming universal credit or other benefits, you may be entitled to free school meals. Please call the office urgently if this is the case and we can help you apply. Even if you are only entitled to free school meals for a short time, your child will continue to receive discounts on trips and activities for the rest of their time at Spaldwick so it is definitely worthwhile!

School Vacancies

From September we have a vacancy for a school cleaner. We are looking for someone to work 2.25 hrs per day, Mon-Fri, in term time only. The hours can be worked before or after school. Please contact the school office if you are interested.

Kinetic Letters' Resources

Don't forget you have until 9am on Wednesday 1st July to order any Kinetic Letters resources that you might need. You can order playing cards for £6.99 and whiteboards for £2.70.

Sports Day

A big thank you to everyone who took part in our virtual sports day. It was great to see your photos and you all looked like you had so much fun!

We loved this photo of Max!

Well done to our winning house, Maple, Congratulations!

Uniform

This week you will have received a flyer for pmg schoolwear. In September the children will return to school wearing school uniform. We have ties, book bags and PE bags available to purchase from the school office. Children will be asked not to bring in big bags and pencil cases so we recommend using a book bag so they can be stored in your child's drawer in the classroom.

Governor Vacancies

In September we have several vacancies for governors.

School governors are responsible for providing clarity of vision, ethos and strategic direction. They hold Headteachers to account for the performance of the school and its pupils, and they make sure public money is well spent.

Being a school governor is a fantastic way to be involved with your child's school and make a real difference. We need you!

If you are interested in joining our governing body you can contact Louise Worrell on head@spaldwickschool.org.uk or our chair of governors, Jonathan Smith on jsmith@spaldwickschool.org.uk
